I. PURPOSE

The purpose of this policy is to provide each officer with knowledge of the criteria for movement in the career development path and the procedures required to initiate consideration for upward movement.

II. POLICY

The welfare of the community depends on the police officer. The Winchester Police Department is committed to a policy that increases the prestige and level of performance of these officers and encourages them to continue their professional development by providing incentives throughout their law enforcement careers. The career development process shall stress actual job performance, combined with professional growth and development. The assignment to a particular status in the Career Development Program (CDP) should not be considered a promotion, but an incentive to officers who have and will continue to apply themselves as career oriented police officers.

III. PROCEDURES

A. Career Advancement Board (CAB)

1. The CAB shall consist of the Deputy Chief of Police and the three division captains.
2. The CAB will meet whenever necessary to consider individual officer's request for advancement in the CDP.

3. The CAB will schedule and conduct meetings to consider appeals from those officers who were not advanced in CDP status.

B. Initiating Responsibility

1. It is the responsibility of each officer to review the criteria that must be met and maintained for each level in the CDP. An officer who wishes to be considered for entrance or progression in the CDP must submit a written request to the CAB, through their chain of command, on or near their individual anniversary date or when eligible for advancement. The written request, in the form of a memorandum and any necessary attachments and/or supporting documentation, must contain proof of proficiency in the identified requirements and criteria within this policy.
2. Each officer must obtain a recommendation from their immediate supervisor. The supervisor shall consider each criterion, address them separately, and state how the requesting officer has or has not met the criteria. The supervisor may include a narrative concerning the individual's advancement in the CDP. This recommendation will accompany the officer's request to his or her respective Division Captain.
3. All paperwork concerning an individual's status in the CDP shall be forwarded through the chain of command to the affected officer's shift Lieutenant. The shift Lieutenant will forward this correspondence through his or her chain of command. Officers assigned to the Criminal Investigations Division shall forward all paperwork through their chain of command.

C. Notification of Board's Recommendation

1. The CAB shall notify the Chief of Police of the board's recommendation. The CAB may make either a favorable or non-favorable recommendation. This notification shall be made no later than ten (10) business days following the respective CAB meeting.
2. Officers shall have ten (10) business days after notification to appeal a non-favorable recommendation to the CAB. The CAB will then schedule and hear the officer's appeal.

D. Notification of Acceptance or Rejection

1. If the candidate is rejected after an appeal to the CAB for entrance or advancement in the CDP, the officer has ten (10) business days to initiate an appeal to the Chief of Police through the chain of command.
2. The Chief of Police will make the final determination of CDP status.
3. If the final determination is rejection of the candidate's request for entrance or advancement in the CDP, the candidate shall be placed on a six (6) month special evaluation status.

4. The officer's immediate supervisor will draft a memorandum outlining the area(s) of deficiency, indicating what improvements are expected in order to comply with the standards for the CDP and notify the officer formally of the special evaluation.
5. If upon completion of the six (6) month special evaluation period the affected officer has complied with the standards outlined and meets the requirements of entrance or advancement in the CDP, the officer may re-apply for CDP status. Re-application will require the officer to submit a written request to the CAB through their chain of command, which includes a recommendation from the officer's immediate supervisor and an updated employee performance evaluation or memorandum identifying compliance.

E. Reduction in Career Development Status

1. No appointment at any level within the CDP should be considered permanent. Each officer must meet the minimum adjusted evaluation in order to be appointed to each level of the CDP, and must maintain those performance levels to retain their position, to include an active status on all specialty certifications and trainings.
2. Reevaluation of an employee's current appointment will be conducted on an annual basis through use of the City of Winchester performance evaluation. Should evaluations be suspended, a memorandum identifying compliance of the established criteria will be completed in its place.
3. If it is determined that an officer is not maintaining the minimum standards prescribed for their respective level with the CDP, the supervisor will notify the CAB in writing, with a copy to the officer. If the CAB agrees with the supervisor's determination, the affected officer shall be placed on a six (6) month special evaluation status by the supervisor.
4. The officer's immediate supervisor will draft a memorandum outlining the area(s) of deficiency, indicating what improvements are expected in order to comply with the standards, and notify the officer formally of the special evaluation.
5. If upon completion of the six (6) month special evaluation period the affected officer has not complied with the standards outlined, the officer's immediate supervisor shall forward a memorandum to the Chief of Police recommending reduction in the officer's CDP status. This memo shall contain an outline of events leading to the recommendation for reduction in the CDP level.
6. The Chief of Police shall make the final determination on whether a reduction in CDP status is in order and the level to which the officer is to

be reduced. The Chief of Police or his/her designee will make the necessary notifications concerning the officer's reduction in the CDP.

7. Once an officer's level has been reduced in the CDP, that officer must apply to the CAB if they wish to be considered for CDP advancement.
8. An officer may not be considered for CDP advancement until twelve (12) months after the date of status reduction.

G. Compensation

During the time an officer is in an advanced CDP status, he or she will receive a percentage of their annual salary determined by advancement to the appropriate pay grade or a 5% pay increase, whichever is greater.
